A first for Appomattox. The Jaycees, with pride, invited our bosses to attend a dinner meeting to show our appreciation for the support that our bosses have provided during the past year. Without their encouragement, we would be unable to be an active community organization.

Praises Out-Of-Country Mail Service

On Tuesday, January 2, 1973, at 5:00 p.m., Mrs. Jeanne Stanley mailed a garnet ring to Frankfurt, Germany by Air Mail. She had purchased the ring for her daughter, Jan, when she was in Germany in October and Jan had lost the stone from the ring and was heartbroken over the loss.

Mrs. Stanley mailed the ring along with a letter requesting that the ring be repaired and billed to her.

On Wednesday, January 10, 1973, early in the morning's mail, she received the ring, complete with a new stone, and the following letter:

Dear Madam: We received your letter with the ring. We don't like broken hearts, therefore we repaired the ring in the moment and shipped now again your ring. I trust the ring will reach you in good condition. We should appreciate an immediate reply, that the letter receipt you. Sincerely, John Montag, Frankfurt, Germany.

Mrs. Stanley was amazed at the fast mail service and also the service of the jeweler. Sometimes it takes a letter that long to reach Appomattox from Pamplin or Lynchburg.

S. C. A. MEETING

The S. C. A. of A. I. S. held their meeting on Jan. 4, 1973.

Students are concerned about the cleanliness of our school. The S. C. A. would like to do something to help keep our school cleaner.

We are also concerned about the way students proceed to and leave assemblies. A committee was formed to work out an orderly procedure.

The S. C. A. wishes you a happy and prosperous new year.

WHAT IS LUV'N OVEN CHICKEN. . . ?
It's chicken with "QFT"* that's fried the LUV'N OVEN WAY, a secret recipe known only to us. We can tell you, however, that its the best fried chicken you ever ate . . . second to Grandma's, of course.
. . . . And what makes our chicken so good? Our chickens are specially selected for QFT* and delivered to us fresh [never frozen] after which many hours of special attention and preparation are necessary before you, our customers, can be served with crisp, golden brown fried chicken.
It takes hours to prepare, but only minutes to serve you. Come by and see for yourself. We believe you'll like it!
